2024 BURSARY INFORMATION

The CIBPA, through its Education Bursary Program, is proud to support students of Italian heritage in all fields of study and non-Italians enrolled in Italian studies curriculums.

Beginning this Spring, the CIBPA Education Foundation plans to campaign actively for student applications. The student selection process will happen in early 2024

DO YOU KNOW A STUDENT WHO CAN BENEFIT FROM THE CIBPA EDUCATION FOUNDATION?

These bursaries and scholarships do come with strings attached. Our expectation is for these students to stay in touch with the CIBPA. As CIBPA student alums, we hope that, with personal prosperity, they will also financially contribute to the CIBPA Education Foundation to help a student in need. I have read letters from past recipients and assure you that we are making a difference.

Applications for 2024 scholarships will open later in the year. Please visit our website at www.toronto.cibpa.com/educationfoundation or pick it up at the Student Centre at your university or college.

If you are interested in learning more about the program or would like to contribute, please call the CIBPA Toronto office at 416 782-4445

THE CANADIAN ITALIAN BUSINESS AND PROFESSIONAL ASSOCIATION OF TORONTO (CIBPA) EDUCATION FOUNDATION

GOALS

Supporting the academic achievements of young Canadians of Italian heritage is the primary purpose of the CIBPA Education Foundation. It also assists students not of Italian origin if they pursue curriculum majors in Italian studies.

STRUCTURE

The Education Foundation is designed as an umbrella organization for various supported funds in a single general fund. Funds are supported by a corporation, institute, family, or individual sponsor named after that sponsor.

MANAGEMENT & SELECTION

Applicants will be evaluated based on academic merit, financial need and community involvement. It is recommended that the applicant submit a letter outlining qualifications, financial condition, community involvement, or employment history. Education Foundation awards are given out yearly. They are presented in person at a CIBPA dinner function held at a public venue to award recipients by a Named Fund's financial sponsor representative.

CONTINUING THE TRADITION

The Education Foundation is a familiar idea for the CIBPA. For twenty years (from 1957 to 1976), the Association launched a similar program for helping university students. During that period, 231 students received more than \$30,000 in education funds and grants to continue their education. That earlier CIBPA initiative has since evolved into an independent entity, distributing more than \$1,000,000.00 to over 1,000 students.

BECOMING A DONOR

Private individuals, organizations, or corporations can financially contribute to the CIBPA Education Foundation to assist worthy and needy students attain their educational goals. The following two options are available: Individuals can make a \$1,000 contribution for undergraduate studies or a \$3,000 contribution for postgraduate studies and establish a "Named Fund" under their name within the Foundation.

Donors at any level may also designate which field of study they wish their donation to go to—for example, Business Administration, Engineering, Medicine, etc.

MISSION STATEMENT

The Canadian Italian Business and Professional Association of Toronto (CIBPA) has existed since 1952 and earned an enviable reputation as the premier non-profit membership association representing Canadian Italians' business and professional interests in the GTA.

Our mandate is to promote and cultivate our members' business, professional, cultural, and social interests and be the recognized lobbying voice of the Canadian-Italian community. We continue to be the pre-eminent forum for the exchange of ideas and viewpoints and are focused on the development of business and professional contacts beyond the common practice of networking.
